

LB LIBRARY BUREAU *A ModuForm Company*

The ModuForm Companies are about flexibility...about innovative furniture designs that manage your space requirements...about sound engineering that endures active environments for extended life...about choices that accommodate. The ModuForm Companies – flexibility in furniture.

The Standard In Classic

State-of-the-art Styling

Since 1876, Library Bureau has built a reputation as the first name in library furniture: tables, study carrels, technical furniture, circulation desks, viewing stations, shelving, and more.

The Group 90 collection sports square edge profiles, functional clean lines, and rich wood tones creating modern styling with beautiful artistic hand-crafted workmanship. Post and panel construction with pinned-in-metal bushings for maximum strength, adjustable work surfaces, and single and double-faced configurations afford maximum flexibility. Classical enhancements hallmark the melding of modern styling with traditional timeless design. Classical options offer interchangeable top edges, legs and rack designs.

Constructed of solid red oak or maple wood, a broad spectrum of wood finishes and textured paints customize or match your unique environment. Furniture is protected with an ultra-violet cured resin finish that is deep, rich and luxurious and extremely durable. Laminate top options further customize furniture. State of the art wire management, power, data, communication, and lighting accessories meet technical requirements.

Library Bureau—the standard for state-of-the-art classic styling to meet the expanding needs of today's libraries... college, university, K-12, public, private, reference, law, and media centers.
