

LB LIBRARY BUREAU
A ModuForm Company

The ModuForm Companies are about flexibility...about innovative furniture designs that manage your space requirements...about sound engineering that endures active environments for extended life...about choices that accommodate. The ModuForm Companies – flexibility in furniture.

The Standard Where Technology

And Contemporary Design Meet

MEDALLION 82 AND MENTOR SERIES

For over 125 years, Library Bureau has built a reputation as the first name in library furniture: tables, study carrels, technical furniture, circulation desks, viewing stations, shelving, and more.

The Medallion 82 collection boasts clean fluid lines and rich wood tones. Graceful radius edge profiles create a contemporary style with beautiful artistic handcrafted workmanship. Post and panel construction, adjustable work surfaces, and single and double-faced configurations afford maximum flexibility. Handsome Mentor enhancements create an exciting style that blends proportion, balance and symmetry of contemporary design, characterized by distinctive top, edge and reveal elements.

Constructed of solid red oak or maple wood, a broad spectrum of wood finishes and textured paints customize or match your unique environment. Furniture is protected with an ultra-violet cured resin finish that is deep, rich and luxurious, and extremely durable. Laminate top options further customize furniture. State of the art wire management, power, data, communication, and lighting accessories meet technical requirements.

Library Bureau—setting the standard where contemporary design and technical advancements meet the expanding needs of today's libraries... college, university, K-12, public, private, reference, law, and media centers.
