Library Bureau –

Solutions for Today's Libraries!

Since 1876, Library Bureau has built a reputation as the first name in library furniture: tables, study carrels, technical furniture, circulation desks, viewing stations, shelving, and more.

Library Bureau wood and steel shelving continues to meet the needs of the heart and soul of today's libraries as it has in the past. The sturdy solid wood frame construction sets the standard for high quality workmanship while its appearance enhances any environment. Our shelving is available in a full range of sizes, styles and modular designs providing the perfect solution to any size project. Customized shelving requirements to meet your needs is our specialty.

Constructed of solid red oak or maple wood, a broad spectrum of warm wood finishes customize or match your unique environment. Wood components are protected with an ultra-violet cured resin finish that is deep, rich and luxurious, and extremely durable. Laminate top options further customize desks. State of the art wire management, power, data, communication, and lighting accessories meet technical requirements.

Library Bureau—the standard in innovative design and fine craftsmanship to meet the expanding needs of today's libraries...college, university, K-12, public, private, reference, law, and media centers.
